## WHY **SOMFY**

Somfy is the leading global manufacturer of strong, quiet, motors with electronic and app controls for interior and exterior window coverings. Over 270 million users worldwide enjoy more than 150 million motors produced since 1980. For more than four decades, Somfy engineers have designed products for both the commercial and residential markets to motorize window coverings, such as, interior shades, wood blinders, draperies, awnings, rolling shutter, exterior solar screens and projection screens. Somfy motorization systems are easily integrated with security, HVAC, and lighting systems; providing total home or building automation.

The Somfy logo is displayed in a bold, lowercase, sans-serif font. The letter 'o' is a solid orange circle, while the other letters are in a dark grey color. A registered trademark symbol (®) is located at the end of the word.

### Glydea™, the difference is in the detail

The sophistication of Glydea™ is reflected in the simple forms and sleek lines of the motor and the rail.

**Aesthetic**

- **Somfy Innovation: Patented cover neat design** hides the cabling and protects the connectors and the control modules inside the motor.
- Reduced gap light thanks to the rail design and the swivel ceiling bracket.
- Adjustable limits, to allow the curtain to fall nicely.

**Flexibility**

- **Large offer of hardware:** Components to adapt to different types of curtains.
- **Somfy Innovation: Plug in modules** for a large range of control systems.

**Quiet**

- Low noise level of the motorized track (<44 dB(A)), thanks to the motor design and the use of a timing belt.
- Soft start and soft stop.

**Efficiency**

- Touch Motion feature, to open and close the curtain simply by pulling on the fabric.
- "My" function, to automatically control the curtain to a preferred position.
- Adjustable speed: 12.5cm/s to 20cm/s.

**Robust design**

- **Somfy Innovation: Lyrease mechanical system** which disengages automatically the motor drive shaft for manual operation preserving the fabric.
- Setting buttons and cabling not accessible to the end user.
- No maintenance necessary after installation.

**Glydea™, Somfy quality**

Tested for 15 years of operation. 5 years international warranty. International certifications.
